Oh, wait...Now
you can!

Introducing our new Color Crave Hair Makeup. Yup, you heard right it's totally temporary. And, it comes in a gorgeous selection of shimmering shades. So no matter how you feel like expressing yourself today, you can wash it out before counting unicorns at bedtime, and start again tomorrow. It's one-part hair color science, and all parts magic.

HOW TO APPLY:

1. When the moment strikes gold, apply Color Crave Shimmering Hair Makeup to select pieces or all over to dry hair using the applicator sponge.
2. Blow dry to set color. Don't skip this key step! It's what makes the color stay put until you're ready to wash it out.
3. Once completely dry, style as usual. Just wash when you're ready to remove.
